PROCLAMATION.

Under Section 7 (1) of the Town Municipalities Regulation, 1933, it is hereby notified that it is proposed to alter the existing limits of the Chamarajanagar Town Municipality in the Mysore District. All persons who entertain any objection to this proposal, may submit the same with the reasons therefor, in writing, to the Deputy Commissioner, Mysore District, within two months from the date of this Notification. Objections preferred after this period will not be considered.

The altered boundaries of the Municipality will be as follows :—

Starting from the south-west corner of Survey No. 34 of the Chamarajanagar Kasaba village which is situated to the north-west corner of Chamarajanagar, the Municipal boundary of Chamarajanagar goes a little north, turns east and reaches the south-west corner of Survey No. 37. Then it turns northward, goes along the western boundary line of Survey No. 37 and reaches the north-west corner of the same number. It then turns towards east and following the northern boundary line of Survey Nos. 37, 36, 28 and 27 touches the north-east corner of Survey No. 27 and then turns towards the south and following the western boundary line of Survey No. 17 reaches the south-west corner of the Survey No. 17. It then goes east and following the southern boundary line of Survey Nos. 17, 16 and 15 reaches the north-west corner of Survey No. 14. Thence going to the south along the western boundary line of Survey No. 14 crosses the Halla at the south-west corner of Survey No. 14 and then coming along the northern boundary line of Survey No. 13 touches the north-east corner of the same number. Here crossing the Chamarajanagar-T.-Narsipur road in the east, follows the northern boundary line of Survey Nos. 342 and 345 and the eastern boundary line of Survey Nos. 345, 343 and 344 reaches the east-south corner of Survey No. 344. Then it

turns east and going along the southern boundary line of Survey No. 353 crosses the lane at the south-east corner of Survey No. 353 and touches the north-east corner of Survey No. 354. Then it follows the northern line of Survey Nos. 355 and 316 and the eastern boundary line of Survey Nos. 316 and 315 reaches the east-south corner of Survey No. 315. The line then turns east and follows the northern boundary line of Survey No. 313, which is a "Katte" and crosses the Halla in the east and reaches the north-west corner of Survey No. 310. It then follows the northern boundary line of Survey No. 310 and the eastern boundary line of Survey Nos. 310, 311 and 362 reaches the south-east corner of Survey No. 262. Then it follows the northern boundary line of Ramasamudra-Chamarajanagar road which is in the southern boundary line of Survey Nos. 298, 297, 296 and 295 and touches the easternmost corner of Survey No. 295.

II EAST.

Crossing the said road to the south, it reaches the north-east corner of Survey No. 391. Then going to the west along the northern boundary line of Survey Nos. 391, 390 and 388 which is the southern boundary line of the said road, crosses the lane at the north-west corner of Survey No. 388 and reaches the north-east corner of Survey No. 387. Then it turns towards the south and following the eastern and southern boundary lines of Survey No. 387 reaches the south-west corner of the same number. There it crosses the lane to the west and joins the east-south corner of Survey No. 386. Then it runs towards south and going along the eastern boundary line of Survey Nos. 384, 383, 382, 381 and 376 and the southern boundary line of Survey Nos. 376, 377 and 378 joins the south west corner of Survey No. 378. From here coming to a little south crosses the lane to the west at the north-west corner of Survey No. 373 and reaches the east-south corner of Survey No. 372. Then it goes a little west in the southern boundary line of Survey No. 372 and reaches the north-east corner of Survey No. 371. Then it follows the eastern boundary line of Survey No. 371 and the southern boundary line of Survey Nos. 371 and 370 and crosses the lane at the south-west corner of Survey No. 370 and reaches the eastern boundary line of Survey No. 427. Then it turns south and coming along the eastern and southern boundary lines of Survey No. 425 reaches the south-west corner of the same number. It then goes south and follows the eastern boundary line of Survey Nos. 435 and 436 and the southern boundary line of Survey No. 436 and reaches there the eastern line of the Hassanurghat road which is at the north-west corner of Survey No. 444.

III SOUTH.

It then goes a little south, in the western boundary line of Survey No. 444 and crosses the Hassanurghat road to the west and then coming along the eastern and southern boundary lines of Survey No. 458 touches the south-west corner of Survey No. 458. It then goes a little north and reaches the east-south corner of Survey No. 459. Then it turns towards west and following the southern boundary line of Survey Nos. 459-461 and 460 and the western boundary line of Survey Nos. 460, 461 and 462 reaches the north-west corner of Survey No. 462. Then crossing the lane to the west reaches the south-east corner of Survey No. 469. Then going along the southern boundary line of Survey Nos. 469 and 470 reaches the Gundlupet road to the west of Survey No. 470. It then turns west and following the southern boundary line of the Gundlupet road crosses the said road at the north-east corner of Survey No. 482 and touches the north-east corner of Survey No. 484. Then going to the west along the southern boundary line of Survey No. 481 reaches the south-east corner of Survey No. 479.

IV WEST.

It then turns towards north and following the eastern boundary line of Survey No. 479 crosses the road at the north-east corner of Survey No. 479 and going northward along the eastern boundary line of Survey No. 478, reaches the north-east corner of Survey No. 478. Then it turns west along the northern boundary line of Survey No. 478 skirts round the Survey No 475 which is called "Chamasagara tank" and reaches the south-east corner of Survey No. 668. It then goes northwards along the eastern boundary line of Survey Nos. 668, 663, 662, 661, 660 and 659 and reaches the north-east corner of Survey No. 659. Then it turns west and going along the southern boundary line of the Nanjangud-Chamarajanagar road crosses this road at the north-west corner of Survey No. 659 and reaches the east-south corner of Survey No. 31. From here it turns to the west and going along the northern boundary line of the Nanjangud-Chamarajanagar road along the southern boundary line of Survey No. 31, 32 and 34 meets the south-west corner of Survey No. 34 wherefrom it was started first.

A map showing the altered boundaries will be available for inspection in the Chamarajanagar Town Municipal Office during office hours.
